From the Finance Committee,

The Finance Committee is pleased to announce that 2018 Consecration Sunday Celebration will be held on October 21st with Dick Livesay serving as the Chairman for the 2018 Celebration. Rick Swearingen and Kay Williams have agreed to assist Dick prepare the 2018 Consecration Sunday Celebration. The Finance Committee has been reviewing possible changes (see the announcement in this newsletter) and Dick will be contacting church members asking for assistance with a number of activities to make the 2018 Celebration a successful day. July unrestricted total income was \$32,365 for our church and total expenses were \$34,421 for a negative \$2,055 for the month. January through July 2018 unrestricted total income was \$220,159 and total expenses were \$252,111 for a negative \$31,952. After we take in to account that \$35,550 of the 2018 pledges were paid in 2017 and if we average them monthly for the year, it would essentially be a negative \$11,214 net as of the end of July. Last year January through July 2017 unrestricted total income was \$240,360 and total expenses were \$236,482 for a net of \$3,878.

As always, we are a transparent organization. The reports are always available on request. We thrive as a church because of our congregation's generosity and faithfulness.

Sincerely,

Scott Yeazel Chair, Finance Committee

Greg & Barb Pasley/Kate Donahue & Sons

Dear MUMC United Methodist Women,

What a wonderful meal you prepared for our family and friends. Carol would have been touched by all those who donated food. Please accept our monetary donation as a token of our appreciation and use it to restock the food in the kitchen.

The Boller Family

To Everyone in our Church Family,

For ten years (How fast did that time go?) I have been privileged to serve as the coordinator of our church's Coffee Ministry. In the beginning, with suggestions from many of you, learning how to use the computer for communication, and God's guidance every step of the way, a plan evolved that works for us. As God has guided us we have grown together in this effort.

For several years, we have been blessed to have Gary and Edna Winans responsible for buying the food and the necessities such as coffee, sweetener, cups, creamer, drinks, etc.

They are committed, faithful, and invaluable servants of God. Thank you Gary and Edna. And, of course, this ministry would not exist without all of you who have given your time and effort each Sunday.

It is not that it is so much work, but I find that I am frequently away from Mahomet when situations arise that need attention (which is really very rarely).

So, we are looking for one or two people to step up and become the Coordinators of the Coffee Ministry. I will be happy to share everything that I have on the computer and work with you to make a smooth transition.

Please contact the church office if interested to pursue this opportunity .

Thank you all for your cooperation and commitment these last 10 years.

In God's Service,

Bob & Sue Welke

A Special Thank You!!!

An anonymous gift of Communion serving pieces were given to Mahomet United Methodist Church as a memorial for Lee Jessup. There were three Chalices and three Patens that are made of ceramic and made by a teacher at Parkland College. A small pitcher will also be added to the set. Thank you!!!

Consecration Sunday is Coming October 21, 2018 “Growing on the Foundation of Our Past”

Dear Mahomet United Methodist Church Family,

Your Consecration Sunday Team is pleased to announce that our congregation's Consecration Sunday will be October 21, 2018. There will be one service on October 21, with Sunday School prior to the worship service and a Celebration Luncheon following the worship service. The Luncheon will be a catered meal and not be a standard fellowship dinner or potluck prepared by fellow church members. The committee wishes for everyone to enjoy our Celebration Luncheon together.

Your Consecration Sunday Team has elected to continue using the Consecration Sunday Stewardship program with the addition of the celebration of our church's history and mission statement. The program develops the need of the giver to give for his or her spiritual development rather than the need of the church to receive. Instead of treating people like members of a social club who pay dues, we will treat people as our Mission indicates "To lead people to Jesus and help them grow as Disciples". Consecration Sunday encourages people toward proportionate and systematic giving in a response to the question, "What percentage of my income is God calling me to give?"

The focus of our Consecration Sunday for 2018 will be **"Growing on the Foundation of Our Past"**. Starting in late September we will have a speaker at each service from different places in their walk of life and faith. We will be contacting members to give a short talk about how the church is helping them grow their foundation. The committee would like to have a high school student, a member that has started a family and attended the church most of their life and a long time member that can relate what the church's foundation has meant to them. Our goal is to have one sermon on the history of our church prior to Consecration Sunday.

We encourage participation in Consecration Sunday events through helping with guest speakers, telephone calls and setting up tables the day of the event.

Your Consecration Sunday Team will make every effort to inform, inspire and encourage everyone to attend Consecration Sunday worship.

Thanking you in advance for your participation in our 2018 Consecration Sunday events as we grow on the foundation of our past.

Your Consecration Sunday Team

Thursday Reading Circle

The UMW Reading Circle will begin it's fall season by reading *'Educated'* by Tara Westover on Thursday, September 13 at 1:30 pm in the church Prayer Room.

Tara Westover was seventeen the first time she set foot in a classroom. Born to survivalists in the mountains of Idaho, she prepared for the end of the world by stockpiling home canned peaches and sleeping with her "head-for-the-hills" bag. In the summer she stewed herbs for her mother, a midwife and healer, and in the winter she salvaged metal in her father's junkyard. Her father distrusted the medical establishment, so Tara never saw a doctor or nurse. Gashes and concussions, even burns from explosions, were all treated at home with herbalism.

We invite anyone that likes to read, discuss what they have read, to join our group!

Sweet Thoughts,

"Our Father in heaven..."

Can you believe it; September is here once again. It is like someone just grabbed ahold of my calendar last Spring and tore off a few months. As summer comes to a close it seems as if the whole world just ramps up a notch and our friends, family members, folks we work with and those we are in school with – our neighbors near and far just seem to be stepping into their living with added stress and strain each day. Even here at church as we try to pray and faithfully act our way through each moment life not only gets quicker in the fall, but we too fall prey to existing without prayer.

"... forgive us our sins..."

This September as we share our faith and live out from our relationship with Jesus let's do so as those who in the first place avoid things that would separate us from God and bring harm to others. Let's be people of a faith who in the second place also work together to do good of every possible sort and finally as those who pursue growth in our spiritual lives. So, let's open our hearts, doors and minds to everyone and everything God brings our way. This means that we need to take the time to not only invite someone you know to church or Sunday School, but offer to bring them and include them when they are with you. Be intentional to share with someone at school or work or in the community about the different ways our Mahomet United Methodist Church reaches out in mission and ministry. Most importantly begin a list of how and where you have shared with someone you know or even just met, how your faith makes a difference in your daily living.

"... save us from the time of trial..."

It's been said that it takes at least two people to practice the teachings of Christ. Jesus said that love to God and to love your neighbor was the summing up of all the law and the prophets. Our Lord also said that "where two or three

are gathered in my name, I'm there with them." It takes at least yourself, somebody else and God to form this trinity of faithful living that is not simply existing in your home, your workplace, this church and our larger community. When Jesus sent his disciples out he sent them two by two. When teaching us to pray Jesus drew us all together as he said and we say, "Our" not "Mine" or "Your", but "Our". Take the chance of faith that is more than just believing, the chance of living that is more than just waiting to die and the chance of change that is not about personal comfort or desire. Let's together here at the Mahomet United Methodist Church be Christian in more than name only as a new season turns, a new year of program begins and we lead others to Jesus and together grow as students who follow Jesus each day, all the way.

"...For the kingdom, the power, and the glory, are yours now and forever."

See you in church,

Rev. Craig

New Women's Bible Study

A new Women's Bible Study will start on Thursday evenings from 6-8PM beginning September 6, through October 25. The study will be "*Discerning the Voice of God*" by Priscilla Shirer. The study focuses on learning to recognize God's voice above all others through challenging yourself in the discipline of daily Bible study. You'll gain practical advice for knowing and understanding God's voice through his Word, learn to recognize the Holy Spirit's character, language and tone of voice, and experience a deeper relationship with God by strengthening your daily walk with Him.

Each week will feature discussion of the week's reading from the workbook, 30-45 minute videos by Priscilla Shirer, fellowship and prayer. The last session will feature a movie night to recap the series with a presentation of Priscilla's movie, *The War Room*.

If you would like to purchase a workbook for a deeper study through homework during the week, a limited supply is available from the church office or you can order it from the Lifeway website:

www.lifeway.com/discerningthevoiceofgod.

Grab a friend, relative or invite a co-worker and come for an evening of fun and fellowship.

Please contact the church at mumc@mumc.org if you would like more information or to sign up. (Please note, this study is appropriate for teenagers, but childcare is not provided at this time.) Please contact Susan Adamson for questions!

Singing in a choir
is cheaper than therapy,
healthier than drinking,
and more fun than working out!

Where can you go where people bond together as a group, pray for each other, laugh together, and praise the Lord in song? OUR CHOIR!!! Come join us—we have a great time! Don't worry if you aren't an operatic singer. As long as you can carry a tune, you belong with us. Rehearsals are held on Tuesday evenings at 7:30, in the sanctuary. If that didn't convince you, click on this link:

https://www.youtube.com/watch?v=aqm-S9J1s_k

For the younger singers, first grade through whenever, we rehearse on Wednesday nights at 5:00 in the choir room—right before WOW! The children will sing occasionally throughout the year during one of the worship services. Depending upon the ages of the children, we may learn the old-time Sunday School songs of yesteryear!

GUITARISTS – must be able to read chord symbols, have a guitar pick up and learn 4 songs with 5-6 days lead time

DRUMMERS – must have experience and be able to keep a steady rhythm

Praise Band Rehearsals are on Wednesday nights at 7:00. Attendance is required.

HANDBELLS -- This group is in need of two additional members. Requirements are that the musicians need to be able to read music well and to count accurately. Bell choir rehearsals are on Tuesday nights at 6:30 and will begin on August 28.

Come and join one of our groups!

From the Parish Nurse

Medications Take Back Project:

Our parish nurse Eileen Waters will be collecting expired and unused prescription medications and over-the-counter drugs at the church Sunday, October 14 between services. This one day medications take-back project will provide a no-cost anonymous collection of unwanted and expired medicines. This is the safest and most responsible way to dispose of unwanted and expired medicines to protect your family and to protect our waters.

Guidelines

- Medications are to be left in their containers with labels removed or information crossed out
- No aerosols or nebulizers
- Please do not dispose of medications in the trash or by flushing down the toilet.
- The University Police Department will dispose of the medications

It's a great time to clean out your medicine cabinet! Medicines in the home are a leading cause of accidental poisoning, and flushed or trashed medicines can end up polluting our waters. Rates of prescription drug abuse are alarmingly high—over half of teens abusing medicines get them from a family member or friend, including the home medicine cabinet, and often without their knowledge. The use of these abused prescriptions sometimes leads to the desire for cheaper more accessible street drugs like heroin.

Americans currently abuse prescription drugs more than the number of those using cocaine, hallucinogens, heroin, and inhalants combined.

The Summer Lunch Program at Candlewood

Food insecurity is a major problem in the United States but many don't realize how close this crisis is to home. Current statistics, as quoted by the Feeding America Charity, show that 42.2 million Americans live in a food insecure household, including more than 13 million children. According to data provided by Map the Meal Gap, in the state of Illinois, Champaign County ranks 5th on the list of counties with the HIGHEST number of food insecure individuals. Champaign County is significantly higher than Cook County, and only slightly less than St. Clair County. It is heartbreaking to think that there are so many in our community who are unsure where their next meal will come from or worse yet, if there will be a meal. The Summer Lunch Program at Candlewood was created to help combat the ever-growing number of those who are food insecure in Mahomet and the surrounding community.

Every meal provided is free of cost and no questions asked. This program serves EVERYONE, not just residents of Candlewood and is supported by many of the local churches and businesses in Mahomet. Different organizations volunteer for a week over the summer, where they bring food and dessert to the pool house and simply serve their community. What is truly amazing about this program is witnessing God spread his word through the actions of many. He is bringing together different groups and beliefs, all of which are setting aside their differences and working together for the greater good of the community. Many don't realize that a job loss or medical crisis is all it takes for someone you might know to suffer. Seniors, children, rural communities, and big cities are all vulnerable. The Summer Lunch program, especially while school is out of session, helps provide to those in need of a nutritious meal, nourishment and most importantly, relief. Relief from the fear of hunger for a senior, a family, or a youth.

In 2018, this program served a total of 3,606 meals over a period of 10 weeks. This is an average of 360 meals per week. There were 10 churches involved in this program. MUMC served 383 meals and averaged 7 volunteers per day, plus many more who provided desserts.

We aren't able to thank every one who supports this important ministry but please know whether you help serve, clean up, donate baked goods, or simply say a prayer, you make a difference. If you are interested in helping with this program and continuing it's growth, please contact Linda Meachum. #FightFoodInsecurity

In need of a meal or know someone who could benefit from this program? Summer lunches are served Monday through Friday from 11 a.m. to 1 p.m. at the pool house in the Candlewood Subdivision on Prairieview Road. Candlewood Estates, 808 N Prairie View Rd, Mahomet, United States.

Just a few of the many volunteers at MUMC!

No-Stress School Snacks

Popcorn Pouches

Kids ages 4 and over will love noshing on their own bag of air-popped corn sweetened with cinnamon and a little dried fruit or chocolate chips. Scoop about 2 to 3 cups into a small paper bag and seal with a sticker.

Apple Twist

Make classic snacks a little, well, cooler. Freeze small containers of applesauce overnight for a slushy treat -- and a serving of fruit. Or do the same with low-fat yogurt.

Fruity Franks

This snack is so clever! Spread the inside of a whole-wheat hot dog bun with 1 1/2 tablespoons of peanut butter. Place a peeled banana inside and slice down the middle. Voila!

Dessert Downsized

Make mini banana, blueberry, bran, or carrot muffins from your favorite healthy recipe, or search parents.com/food for some inspiration.
