# THE CIRCUIT RIDER

VOL. 186 · JULY 2020

Maybe you have adjusted the way you communicate with people now that we have been socially distancing. My family tries to meet on Zoom every Sunday afternoon. It has been a great way to connect with each other. We have learned new things about each other because we use different “games” each week. One week, we were to come up with two truths and a lie. The family had to guess which one was the lie. It is difficult to lie to your family with a straight face.

Sometimes we just tell a story using the beginning statement, “Remember when...” Some of these stories are exaggerated like the big fish that got away. Some of the stories have several versions depending on the person’s perspective. My family loves to tell stories. This is not true of all families.

The Bible has some stories that are easy to understand and others that just make you question what God was thinking. During our first sermons series, we will share Biblical stories, some of my stories and also hear some stories of faith from our congregation. These stories will offer hope and be grounded in grace. Listen to the stories with the same attitude of hope and grace.

I want to offer other opportunities for people to tell me their story. We can do this by meeting in small groups. Sometimes, the meeting will be an invitation to bring your coffee and snack to the church. Other times, we will find an indoor place that meets our needs. We will give opportunity to share how God is working in our lives, in our community and in giving us direction for discipleship.

I am looking forward to meeting you all.

Blessings,  
Rev. Lori

# Angel Whispers

This is an angel whisper, a scripture picture. Sending them to church members, especially those on the prayer list, is an easy way to reach out to friends. For those who are sick, those grieving and those who are worried, lonely or afraid, it can be a little bit of reassurance. For those who are getting well or had success at something, it is a way to recognize their efforts. Scripture pictures for weddings and new babies are always fun to send. Using a search engine such as Google on a cell phone or computer makes it very easy to find images to go with scriptures. It's not necessary to know the scripture chapter and verse, just the subject matter or a few words will get you a lot of scripture pictures. They are easily sent to a cell phone number or an email address.

If you are interested in knowing more about this, call Joyce Livesay, 369-1643.

Thank you to Tyler Tanaka for his beautiful rendition of this song in Sunday's service.

Thank you to Terri Early Hunt for her beautiful rendition of John Lennon's Imagine.

We all long for a world at peace.

## July 2020 Finance Report

The Finance Committee meeting was held June 11 just before the Church Council Meeting with Pastor Craig Sweet, Gene Larson, Jeff Bunting, Scott Yeazel, Sherri Kenner, Kay Williams, Rob Parker, Kathy Tock, Dave Byers, Alice Miller, Cindy Dodd, and Tyler Tanaka attending.

January through the end of May 2020 unrestricted total income was \$150,619 with \$16,626 coming from Non-Pledge Giving. Last year the same period unrestricted income was \$167,576 and \$27,784 of that being non-pledged giving.

The mission of the church goes on. Locally we support MAYC, The Food Bank, Habitat for Humanity, WOW, VBC, Summer Lunch Program, and our online worship and outreach. We still support the Conference UMCOR and all their good work.

The majority of the Non-Pledge giving comes in during Sunday morning services so it's no surprise that number is down. Even though we have online giving available and try to make it as easy as possible to continue giving to the church, it's just not the same as when we pass the collection plate on Sunday morning. One idea from an email I received was to have people drop off their gifts at the church. Maybe we could set up a special time and day for donations. Let me know if you think that would be more helpful for you.

We have taken action to help this shortfall. We have applied for and received the PPP forgivable loan. Pastor Craig applied for, was approved and received a forgivable loan from the conference. Kristina applied for and received a grant to help fund part of the summer lunch program.

We thrive as a church because of our congregation's generosity and faithfulness. As always, we are a transparent organization. The reports are always available on request. You can email [syeaz73@gmail.com](mailto:syeaz73@gmail.com) or call me at 586-3072 for more detailed information.

Sincerely, Scott Yeazel, Chair, Finance Committee

# Summer Lunch at Candlewood

## **Summer Lunch at Candlewood--WE NEED YOUR HELP!**

A P R

***Mahomet United Methodist Church's week is the week of July 6th.***

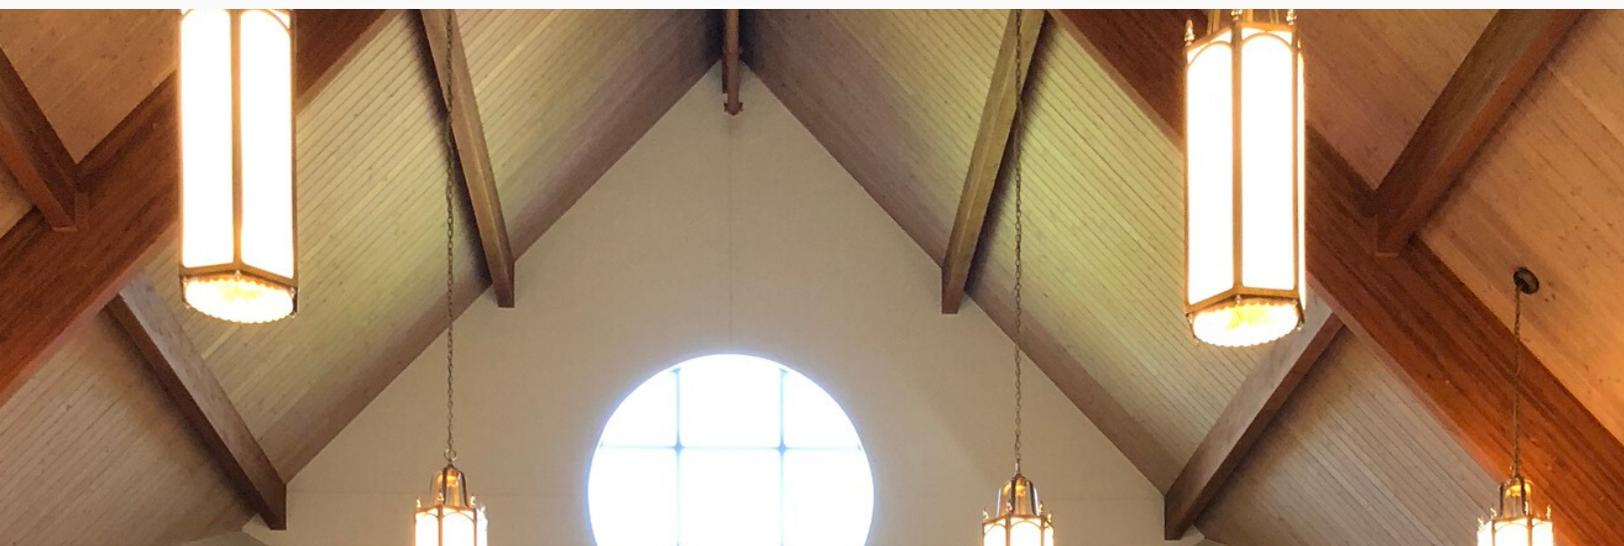

The churches of Mahomet have once again partnered to provide lunches for the residents of Candlewood. MUMC will provide lunches the week of July 6th-10th. Lunches will look a bit different this year as we will be providing takeout meals only instead of baked goods provided by the congregation. We would appreciate a few volunteers to help provide meals and to help serve. We will need 3 people to work from 9:30 am to 11 am with preparation/assembly of the lunch in the kitchen and 2-3 people at Candlewood for distribution. You don't have to work every day so if you can help just one day, let us know.

**If you are willing to help, please contact Linda Meachum  
at [lmeachum22@gmail.com](mailto:lmeachum22@gmail.com).**

We need to start pulling together the volunteers for the week. We need donations this year since we will have to purchase all of the food. The MUMC received \$500 from a grant from the conference and was presented to Church Council in June. This will be a good start, but will need more. You can send your donation to the church. Please designate it for the Summer Lunch fund. Any extra money will be left in the designated account for future use in Mahomet. Any ideas or suggestions for easy "box" lunches will be appreciated. Again, this is exactly the type of outreach many of you have stated in the appreciative inquiry. The good news is we have been doing this for a number of years and we thank those that have helped in the past and made this so important for the community and representing the best side of the members from the Mahomet United Methodist Church. Thanks in advance for all your help and support.

Jeff Bunting Church Council Chair
