

Mahomet Meet-Ups

For the week of September 6, 2020

QUICK REVIEW

Watch Reverend Lori's sermon from Sunday and take a look at any notes you took. What was the main takeaway for you this week? According to James, what should be a Christian's attitude?

GETTING TO KNOW ME

1. Share one way you show faith with deeds?

INTO THE BIBLE

1. Take a moment to clear your mind, then read James 2:1-7, pause, then read it out loud, then sit quietly a bit longer and listen. In a word or phrase what is the focus of this passage?
2. What kind of faith is James criticizing? How do you make sense of this passage in light of Galatians 2:20-21?
3. What does the author of the book of James seem to mean by "faith"? Does this seem to be the same thing we mean by faith? Or something different from that? (What do we mean by faith?)
4. What does James seem to mean by "works"? Does he give any examples of "works"? What are they? How similar are those to what we today mean by "works"? (What do we mean by "works"?)

CONNECTIONS

1. Did you hear a connection between the James passage and your story?
2. Review the scripture and your sermon notes. Is there one thing that you want to work on this week? What would be steps that you need to take?
