# CALLING THE EQUIPED

## Invitation to Breakthrough Prayer

Psalm 127:1a says, "Unless the Lord builds a house, the work of the builders is wasted." IGRC is undergoing a restructuring. The 2022 Annual Conference approved going from 10 Districts to five Districts effective July 1, 2023.

The Bishop, Extended Cabinet, and IGRC Committees are working on how to "build our [IGRC] house." We are inviting the entire Annual Conference to join with us in calling upon God to breakthrough and guide our plans.

Throughout October and November, we are covenanting together to pray for ONE MINUTE each day asking God to breakthrough and reveal God's will. You are welcome to utilize the prayer provided below or your own prayer. Opportunities will be provided throughout the IGRC to receive what you are hearing from God during this prayer time.

In light of Psalm 127:1, you are invited to join with the Bishop & Extended Cabinet to pray wherever you are at 1:27 p.m. for one minute. It is suggested that folks set a daily alarm on their phones at 1:27 p.m. (to begin your prayer time) and at 1:28 p.m. (to close your prayer time).

### Potential Prayer:

Gracious and Merciful God, we come before You acknowledging that Your ways are higher than ours and Your wisdom is greater than ours. While we love and care deeply for our communities and congregations, Your Love for the people of and in IGRC is greater than ours. We also know that You do nothing except in believing prayer. So, we are calling out to You and asking for You to breakthrough in new and fresh ways. Reveal to us and our leaders Your will, Your guidance, Your direction. Bring Your wisdom as we seek to restructure in ways that will allow us to be more faithful and fruitful in making disciples of Jesus the Christ that will lead to our world being transformed in God-glorifying ways. Thank You, in advance, for working in and through us to accomplish Your plans and purposes. Please speak for Your servant is listening.... Amen.

## **Trustee Committee Report**

There are lots of exciting things on-going in our facilities. If you haven't been to the construction site to see the new parsonage being built, now is a good time to cruise on by. It is the last house on the east side of Sunny Acres Road (south end). The basement walls and framing of the outer walls is complete. The inner walls should be complete in a day or so and then the trusses and roof work can begin. The church recently received a \$30,000 donation toward the construction of the parsonage. You can watch the progress of our parsonage by going to this website: [www.nelson.builders/MUMC](http://www.nelson.builders/MUMC)

Road and bike path construction along South Mahomet Road are proceeding, with the Village hoping to complete asphalt work in the next week or two. The road would then be opened for use. Our driveway entrance has been rebuilt as a part of this construction. The railroad crossing will likely not be ready for use until winter. The church recently received a donation to build an ADA-accessible concrete path from our parking lot to the pavilion. Work on that is not expected until spring.

Installation of our 3 new furnaces/air conditioning units is now complete, so we should be in good shape for winter heating. The trustees approved a preventative maintenance contract for our heating and cooling systems with 217 Inc. Our church is entering into a facilities use agreement with Troop 25 of the BSA. Troop 25 will now be sponsored by the American Legion but continue to use our facilities. This arrangement is a result from the national settlement between the BSA and the United Methodist Church.

Our fire suppression and backflow prevention systems just passed their annual inspections this week. The nitrogen generation system continues to have issues which are being addressed by our contractor.

Trustees contacted our insurer, Country Financial, Inc. to have our roofs inspected for hail damage. The roofs were inspected by drone and a person on the roof. While there was a small amount of damage, it did not merit replacement.

## **Finance Committee Report**

Dear Friends,

Pledged giving for the month of September was approximately \$13,000, non-pledged giving was approximately \$3,000 making total unrestricted income for the month about \$16,000. Total operating expenses were approximately \$35,000 generating a net operating loss for the month of \$19,000. Year to date operating income was about \$266,000 (\$209K pledged giving, \$22K non-pledged giving and \$35K from employer tax credits) versus expenses of \$291,000.

Please remember to turn in your pledge cards by the end of October. God's Work, Our Hands.

Thank you for supporting our church ministries!

Financial reports are always available upon request.

Doug Beckmann  
Chair, Finance Committee

### YOUR DONATIONS NEEDED

UWF will be hosting a bazaar and bake sale on **December 10 and 11**. Would you be willing to bake some cookies, candies or other goodies for the bake sale? Do you like to make handmade items that you'd be willing to donate? We just ask that baked goods be wrapped and labeled. Your cookies can be placed in containers. Do you have a nativity set you would like to share with the church? Please have your name on your nativity set so you can easily retrieve it when the Bazaar has concluded. Bring items to the church on **Friday, December 9 from 9 am to noon and Saturday by 9 am**.

### WOMEN'S READING GROUP - NOVEMBER

Our upcoming book is *Crossing Over* by Ruth Irene Garrett. Ruth was the fifth of seven children raised in Kalona, Iowa as a member of a strict Old Order Amish Community. She was brought up with rigid rules and intense secrecy in a world where the dress, buggies, codes of conduct, and way of life differed from that of other Amish Societies a mere one hundred miles away. Her community uncompromisingly avoided all interaction with "the English" – everyone who lived on the outside. As a result, Ruth knew only one way of life, oneway of doing things. This compelling true tale offers a striking look inside a hidden community as a woman comes to terms with her discontent and ultimately leaves her family, faith, and the sheltered world of her childhood. She bravely crosses over to a new and unfamiliar reality in hope of better understanding her emotional and spiritual desires. The result is a powerful and inspiring story – a search for meaning and the extraordinary lessons learned along the way.

### CUNNINGHAM CONNECTION UPDATE

Cunningham Connection was celebrated **Sunday, October 9** during worship. Apple donuts, coffee and apple cider were served in between worship services. During worship Colleen Combes shared some updates from Cunningham. Four quilts made by the M & Ms group were donated. We also collected \$1,236. UWF would like to thank everyone who made donations. You have enhanced a child's life!
